

eANNADATA CANTEEN STORE DEPARTMENT PRODUCT (LIST) CATEGORY CLASSIFICATION

All products available in the eANNADATA CANTEEN are systematically classified into different groups for easy management, identification, and customer convenience. Each group contains products related to a specific category and usage purpose.

PRODUCT GROUPS

Group I – Agriculture Farming Tools, Equipment and Machines & Farming	Agriculture, Farming Tools, Equipment, Machinery and Farming Products
Group II - Agrochemicals	Agrochemicals, Crop Protection Chemicals, Plant Growth Regulators and Bio-Based Agricultural Products
Group III - Fertilizers and Soil Additives	Fertilizers, Soil Amendments, Soil Conditioners and Organic & Bio-Based Soil Products
Group IV - Seed	Seeds, Hybrid Seeds, Vegetable Seeds, Field Crop Seeds and Horticultural & Planting Material
Group V – Pesticides	Pesticides, Insecticides, Fungicides, Herbicides and Other Crop Protection Products
Group VI – Toiletries	Personal hygiene and daily care products.
Group VII – Cosmetics	Beauty, skincare, and personal grooming products
Group VIII – Food & Grocery	Essential household and home utility products
Group IX – House hold & General Use Items	Common daily-use products and accessories
Group X – Watches	Analog, digital, smart, and all types of watches
Group XI – Stationery	School, writing, and stationery materials
Group XII – Medicines	Medicines, healthcare, and wellness products
Group XIII (AFD) – Cars	Cars available under the AFD category
Group XIV – Bikes	Two-wheelers and motorcycle products
Group XV – Electronics	Electronic appliances, gadgets, and digital devices
Group XIII – Fertilizers	Agricultural fertilizers and plant nutrition products

Group I - Agriculture Farming Tools, Equipment and Machines & Farming
